<sup>1</sup> p. 0, ©2014 All Rights Reserved; Kuocheng Ting. Non-profit uses welcome. Taijiquan has been a popular Chinese exercise for hundreds of years, and the simplified form was developed in Mainland China to further popularize the exercise. The author only put down the steps in the short-command form so that the learners can teach themselves by simply reciting the steps – therefore the name “Recitation Taijiquan” . 版權所有；丁國城。歡迎非盈利使用。
