

Dear Would-Be School Shooter: (5/21/18)

- 1) Shoot me instead, if you must shoot in school.
- 2) The world is crazy, so I don't blame you.
- 3) A lot of people forgot Life is a Miracle; a lot of things turned upside down.

(You would only become a product of the problem, not a hero.)

(You would be punished for others' mistakes. Wouldn't that suck?)

(And you would be a completely wasted sacrifice.)

- 4) Let's be cool and find a solution.
- 5) Why kill innocent people?
- 6) Do not add to the fuel.
- 7) Come take my life.
- 8) I will forgive you.
