

The Three Democratic Principles are for our party to observe, to establish our Republic, to lead all nations toward an ideal world. At this moment, many of our patriotic soldiers are manning the front lines to protect us. Day and night, forever diligent, never waver in their devotions to the Principles. Hardworking and brave, models of trustworthiness and loyalty. Of one heart and mind, we must fulfill our missions toward our Great Nation from the beginning to the end! 三民主義，吾黨所宗。以建民國，以進大同。咨爾多士，為民前鋒。夙夜匪懈，主義是從。矢勤矢勇，必信必忠。一心一德，貫徹始終。
