

**They stood up to hate -- and died for it**

**A Word to Kushner: At Least, Have the Courage to Lie – Voice from the Heart of an Immigrant  
(10)**

People are talking about you. You are 36 years old and you are a man. Do you not have the courage to speak for yourself? Why do you have to let others speak for you? If you did not do it, say so. If you did it, say so. Or, at least, have the courage to step up to the plate and lie for yourself.

History will remember you better if you choose any one of the above. But, if you hide behind a woman's skirt, history will remember exactly what you do.

See? President Trump says another fake news made up. Homeland Security Secretary says even if it were true, so what! Therefore, it is up to you to speak up.

Look at the pictures of the two who died because they stood up to hate. As an immigrant, I will tell you true: because of people like them, I came to this Great Nation, not because of those who hide behind a woman's skirt.
